

Housing Action Plan

Purpose:

The Housing Action Plan is a collaborative tool for shelter staff and guests to navigate the housing search process together. It provides clear steps, realistic goals, and essential resources to support a successful transition from shelter to stable housing.

Name:

What does Housing look like for you? (Example: Number of bedrooms, budget, location etc.)

To secure housing, what actions must you take, and what is stopping you from achieving it? (Example: income, rentals, additional resources, barriers to housing)

Please list what is your plan when you leave here today?
